REUNION 1910-1980 | OCTOBER 7-8-9, 2022

Dear Fellow Orestimba Classmates:

It's once again time for you to mark your calendars and make plans for the Orestimba High School Class reunion, 2022.

For this great get together classes through 1980 will be invited.

We have many exciting events planned for the long weekend and we certainly hope that you will decide to join us and have the opportunity to visit with your friends and fellow Orestimba High graduates.

Our reunion coincides with OHS Homecoming 2022 and the current students of Orestimba High School will once again play a great part in helping us make memories of a lifetime. The highlights of the weekend will include:

- **Feeding the Football Teams** - Class of 1963 Alumni have already committed to providing the meal to feed the members of the 2022 football teams and will be serving the teams as well.
- **Participation in the 2022 Homecoming Parade** - classes will be encouraged to have their own individual entries in the parade or be a part of the overall reunion group entry.
- **Attendance and Recognition at the Homecoming Football Game** - attendees will gather at the high school and march onto the field as a group between the JV and Varsity games. There will be special designated seats for all alumni.
- **Post Game Party** - after the football game, alumni will gather at the West Side Theatre for fun and frivolity including food, alcoholic beverages and music. This is a great way to continue the homecoming celebration.
- **The BIG Event** - spend the evening with you classmates at the Newman F.D.E.S. Hall and enjoy a wonderful meal and drinks, and catching up on the past seven years. The evening would not be complete without the fantastic music of "Dave Martin Party Band" who was the highlight of the last reunion. You won't want to miss it!
- **Picnic in the Park** - gather at the Newman City Park for a wonderful afternoon of relaxed conversation with your classmates. The afternoon wouldn't be complete without a car show, musical entertainment and of course a delicious meal.

The committee is working hard on making it possible to have this reunion be affordable for each and every classmate who would like to attend. However, there are many expenses involved with this type of event. Whether anonymously or recognized, we are asking for you or your class as a whole to consider contributing to help defray some of these costs. In 2015 we were fortunate to have \$8,000 in sponsorships - please help us reach that amount again. We have developed levels of sponsorships that will be recognized at the reunion in many different fashions.

There will be photographers and videographers from Orestimba High School who will be taking photos and shooting video from all of our events. We will also have themed backdrop that can be used for photos. The photos and video will be posted to our new website as well as the class directory.
